2015 TRANSITION TO SCHOOL PROGRAM!

Facilitated by  
Hunter Prelude &  
Family Insight.

Supported by:

## School Readiness

**Starting school can be an exciting but overwhelming journey for children and families.**

- ◇ Is your child ready for school?
- ◇ Does your child separate from you easy?
- ◇ Does your child mix well with others?
- ◇ Will your child require extra support at school?
- ◇ Are you feeling anxious about your child going to school?
- ◇ What can you do to help your child get ready for school?

## READY...SET...GO...

Communities, schools, services & families working in partnership to deliver a program which supports children transitioning to school.

## READY...SET...GO...

Can support you and your child by providing a specific transition to school program in a school setting.

## READY...SET...GO...

Will enhance children's early learning and literacy through engagement and education of parents and professionals.

## READY...SET...GO...

Providing resources which support parents and children to learn about their school, and develop confidence to take part in the school community.
